Section I: General Information

1) Purpose of Request for Quote

The Gaston County Workforce Development Board (WDB) is soliciting quotes from interested and qualified entities (public, private, or non-profit) to serve as the One Stop Operator for the NCWorks Career Center - Gaston under purview of the Workforce Innovation and Opportunity Act (WIOA) and thus, the Gaston County Workforce Development Board.

The goal for the use of these funds is to provide a one stop operator that will be responsible for providing oversight of all program and partner activities occurring in the NCWorks Career Center - Gaston to include those that increase the employment, retention, and earnings of participants, and increase attainment of recognized post-secondary credentials by participants, and as a result, improve the quality of the workforce, reduce welfare and dependency, increase economic self-sufficiency, meet the skill requirements of employers, and enhance the productivity and competitiveness of our local economy.

This RFQ is for a one-year period, July 1st, 2023-June 30th, 2024 with an option to extend 1 year at a time for an additional two (2) years. Contracts will be performance-based with funding linked to defined performance outcomes, including WIOA measures, and depend on future funding availability, contractors' satisfactory performance, achieving benchmarks & contract goals, and other items as applicable. Gaston County reserves the option to modify contracts on a year-to-year basis.

2) Estimated Allocations

For the purposes of this RFQ, Gaston County is unable to project a total allocation for the contract period currently. It is anticipated that the projected amount will be known at or about the time of the final negotiations for contracts. However, maximum contractor (proposer) funding is finalized, and actual contract budgets negotiated, after the confirmation of funding allocations is received by the GCWDB from the NC Department of Commerce – Division of Workforce Solutions for the applicable program year period. Funding is also additionally contingent upon approval of appropriations and the FY2023-2024 County Budget by the Gaston County Board of Commissioners.

3) Eligible Organizations

Organizations eligible to submit quotes for this RFQ include:

- Public
- Private for-profit businesses
- Private not-for-profit organizations (including faith and community-based organizations)

Section II: Background Information

1. Gaston County Workforce Development Board Overview

The Gaston County Workforce Development Board (GCWDB) is an employer driven committee whose members are appointed by the Gaston County Board of Commissioners. As one of 22 Workforce Development Boards in North Carolina, the Gaston County WDB works to identify current and future employer needs by addressing the full workforce development continuum, including pipeline development, recruitment, advancement, and retention and is steadfast in its commitment to leveraging resources and engaging partners committed to developing and strengthening our area's workforce talent. Established by the Workforce Innovation and Opportunity Act (former known as the Workforce Investment Act), the Gaston County WDB has a federal mandate to be the lead organization for workforce development planning and to arrange for a system of service delivery that meets the workforce needs of business and the public alike.

Each year, workforce investment areas receive a designated allotment of Workforce Innovation and Opportunity Act formula funds, distributed among eligible youth, adults, dislocated workers and training services. Gaston County Government serves as the Workforce Innovation and Opportunity Act fiscal agent for the Gaston County Workforce Development Program. This RFQ will distribute funds for the One Stop Operator for the NCWorks Career Center-Gaston; a separate RFQ has been issued for WIOA Adult and Dislocated Worker and Youth Funds.

2. Workforce Innovation and Opportunity Act Overview

The federal Workforce Innovation and Opportunity Act (WIOA TITLE I) was signed into law by then President Obama on July 22, 2014 and entitled “The Workforce Innovation and Opportunity Act of 2014.” Final regulations were issued on August 19, 2016. These documents can be accessed at <https://www.doleta.gov/wioa/>

WIOA TITLE I helps job seekers and workers access employment, education, training and support services to succeed in the labor market and matches employers with the skilled workers they need to compete in the global economy. In passing WIOA TITLE I, the first legislative reform of the public workforce system in more than 15 years, Congress reaffirmed the role of the NCWorks Career Center system, the cornerstone of the public workforce investment system, and brought together and enhanced several key employment, education, and training programs. Individuals in the Gaston County Local Area turn to these programs to obtain good jobs. WIOA TITLE I continues to advance services to job seekers and employers.

Grantees must comply with the Act, the regulations, state and local administrative entities’ instructions, agency policies, and other applicable federal, state, and local laws and regulations.

A. Aligns Federal Investments to Support Job Seekers and Employers: At the state level, WIOA TITLE I establishes a unified strategic planning across “core” programs including Wapner Peyser Employment Service and TITLE I of the Rehabilitation Act.

B. Strengthens the Governing Bodies that Establish State, Regional and Local Workforce Investment Priorities: WIOA TITLE I streamline membership of business-led, state, and local workforce development boards. The Act emphasizes the role of boards in coordinating and aligning workforce programs and adds funds to develop strategies to meet worker and employer needs.

C. Helps Employers Find Workers with the Necessary Skills: WIOA TITLE I emphasizes engaging employers across the workforce system to align training with needed skills and match employers with qualified workers. The law also emphasizes training that leads to industry-recognized, post-secondary credentials.

D. Aligns Goals and Increases Accountability and Information for Jobs Seekers and the Public: WIOA TITLE I aligns the performance indicators for core programs and adds new ones related to services to employers and post-secondary credential attainment. Performance goals must reflect economic conditions and the client characteristics. It makes available data on training operators’ performance outcomes and required third-party evaluations of programs.

3. Minimum Bidder Requirements. Qualified bidders for the One Stop Operator for the NCWorks Career Center-Gaston must possess the following:

A. Have experience operating employment and training programs.

The recommendations of the Gaston County Workforce Development staff, if any, will be presented to the Gaston County Workforce Development Board for approval by vote and to the Gaston County Board of Commissioners. Accordingly, each quote should be submitted on the most favorable terms from a price and technical standpoint that the contractor can submit to the Gaston County Workforce Development Program.
13. Quotes should follow the format set forth in the RFQ Response Package section of the RFQ and adhere to the minimum requirements specified therein.
14. The Gaston County Workforce Development Program retains the right to request additional information from any proposer, request oral presentations from proposers, or conduct site visits from any proposer, or conduct investigations relative to evaluation criteria before a contract award.

These decisions shall be made at the sole discretion of the Gaston County Workforce Development Program.
23. The Gaston County Workforce Development Program may decide not to fund part or all of a quote even though it is found to be in the competitive range if, in the opinion of the Gaston County Workforce Development Program, the services proposed are not needed, or the costs are higher than the Gaston County Workforce Development Program finds reasonable in relation to the overall funds available, or if past management concerns lead the Gaston County Workforce Development Program to believe that the contractor has undertaken more services than it can reasonably provide.
24. Any quote approved for funding is contingent on the results of a pre-award site visit that may be conducted by Gaston County Workforce Development Program staff. This site visit will establish, to Gaston County Workforce Development Program's satisfaction, whether the contractor is capable of conducting and carrying out the provisions of the proposed contract. If the results of the site visit indicate, in the opinion of Gaston County Workforce Development Program staff, that the contractor may not be able to fulfill contract expectations, Gaston County reserves the right not to enter contract with the organization, regardless of Gaston County Workforce Development Program staff's approval of the contractor's quote.
25. The Gaston County Workforce Development Program is required to abide by all WIOA legislation and regulations. Therefore, Gaston County reserves the right to modify or alter the requirements and standards set forth in this RFQ based on program requirements mandated by state or federal agencies.
26. All contractors must ensure equal opportunity for all individuals. No individual shall be excluded from participation in, denied the benefits of, or subjected to discrimination under any WIOA-funded program or activity because of race, color, religion, sex, national origin, age, disability, or political affiliation or belief. 33. The Gaston County Workforce Development Program reserves the right to determine both the number and the funding levels of the contract finally awarded. III. Certification Regarding Environmental Tobacco Smoke

Public Law 103-227, Part C-Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Instructions

[The phrase "prospective lower tier participant" means the Contractor.]

1. By signing and submitting this document, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of the fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originate may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant will provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549, 45 CFR Part 76. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.

6. The prospective lower tier participant further agrees by submitting this document that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized in paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension, and/or debarment.

Name of Organization

Conflict of Interest Policy Example

The Board of Directors/Trustees or other governing persons, officers, employees or agents are to avoid any conflict of interest, even the appearance of a conflict of interest. The Organization's Board of Directors/Trustees or other governing body, officers, staff and agents are obligated to always act in the best interest of the organization. This obligation requires that any Board member or other governing person, officer, employee or agent, in the performance of Organization duties, seek only the furtherance of the Organization mission. At all times, Board members or other governing persons, officers, employees or agents, are prohibited from using their job title, the Organization's name or property, for private profit or benefit.

A. The Board members or other governing persons, officers, employees, or agents of the Organization should neither solicit nor accept gratuities, favors, or anything of monetary value from current or potential contractors/vendors, persons receiving benefits from the Organization or persons who may benefit from the actions of any Board member or other governing person, officer, employee or agent. This is not intended to preclude bona-fide Organization fund raising-activities.

B. A Board or other governing body member may, with the approval of Board or other governing body, receive honoraria for lectures and other such activities while not acting in any official capacity for the Organization. Officers may, with the approval of the Board or other governing body, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. Employees may, with the prior written approval of their supervisor, receive honoraria for lectures and other such activities while on personal days, compensatory time, annual leave, or leave without pay. If a Board or other governing body member, officer, employee or agent is acting in any official capacity, honoraria received in connection with activities relating to the Organization are to be paid to the Organization.

C. No Board member or other governing person, officer, employee, or agent of the Organization shall participate in the selection, award, or administration of a purchase or contract with a vendor where, to his knowledge, any of the following has a financial interest in that purchase or contract:

1. The Board member or other governing person, officer, employee, or agent;
2. Any member of their family by whole or half blood, step or personal relationship or relative-in-law;
3. An organization in which any of the above is an officer, director, or employee;
4. A person or organization with whom any of the above individuals is negotiating or has any arrangement concerning prospective employment or contracts.

D. **Duty to Disclosure** -- Any conflict of interest, potential conflict of interest, or the appearance of a conflict of interest is to be reported to the Board or other governing body or one's supervisor immediately.

E. **Board Action** -- When a conflict of interest is relevant to a matter requiring action by the Board of Directors/Trustees or other governing body, the Board member or other governing person, officer, employee, or agent (person(s)) must disclose the existence of the conflict of interest and be given the opportunity to disclose all material facts to the Board and members of committees with governing board delegated powers considering the possible conflict of interest. After disclosure of all material facts, and after any discussion with the person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

In addition, the person(s) shall not participate in the final deliberation or decision regarding the matter under consideration and shall leave the meeting during the discussion of and vote of the Board of Directors/Trustees or other governing body.

F. **Violations of the Conflicts of Interest Policy** -- If the Board of Directors/Trustees or other governing body has reasonable cause to believe a member, officer, employee or agent has failed to disclose actual or possible conflicts of interest, it shall inform the person of the basis for such belief and afford the person an opportunity to explain the alleged failure to disclose. If, after hearing the person's response and after making further investigation as warranted by the circumstances, the Board of Directors/Trustees or other governing body determines the member, officer, employee or agent has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

G. Record of Conflict -- The minutes of the governing board and all committees with board delegated powers shall contain:

1. The names of the persons who disclosed or otherwise were found to have an actual or possible conflict of interest, the nature of the conflict of interest, any action taken to determine whether a conflict of interest was present, and the governing board's or committee's decision as to whether a conflict of interest in fact existed.
2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement that presents a possible conflict of interest, the content of the discussion, including any alternatives to the transaction or arrangement, and a record of any votes taken in connection with the proceedings.

CERTIFICATION REGARDING NONDISCRIMINATION, CLEAN AIR ACT, CLEAN WATER ACT

Certification Regarding Nondiscrimination

The Contractor certifies that it will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (h) the Food Stamp Act and USDA policy, which prohibit discrimination on the basis of religion and political beliefs; and (i) the requirements of any other nondiscrimination statutes which may apply to this Agreement.

The Contractor must comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented by the Department of Labor Regulations (41 CFR Part 60): The Executive Order prohibits federal contractors and federally-assisted construction contractors and subcontractors who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, or national origin. The Executive Order also requires Government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment.

Meaningful Access for LEP Individuals: **The Contractor** that participate in the SNAP must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and benefits. This includes the requirement to provide bilingual program information and certification materials and interpretation services to single language minorities in certain project areas. SNAP Contractors that do not provide meaningful access for LEP individuals risk violating prohibitions against discrimination based on National Origin in the Food and Nutrition Act of 2008, as amended, Title VI of the Civil Rights Act of 1964 (Title VI) and SNAP program regulations at 7 CFR 272A(b). They also risk noncompliance with the USDA policy guidance titled, "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons", published in 79 FR 70771 - 70784 (November 28, 2014).

The Contractor should develop an implementing plan to address the language assistance needs of the LEP population served. This may include contracting for oral interpretation services, hiring bilingual staff, arranging telephone interpreters and/or language lines, coordinating community volunteers, translating vital documents, and providing written notice that language services are available in appropriate languages. Quality and accuracy of the language service is critical in order to avoid serious consequences to the LEP person and to the recipient. LEP needs should be considered in developing budgets and front line staff should understand how to obtain language assistance services. For additional assistance and information regarding LEP matters, please also visit <http://www.lep.gov>.

Ensuring Equal Opportunity Access for Persons with Disabilities: **The Contractor** must also ensure equal opportunity access for persons with disabilities. This includes ensuring that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications with people without disabilities. Contractors that do not provide persons with disabilities equal opportunity access to programs may risk violating prohibitions against disability discrimination in the Rehabilitation Act of 1978, the American with Disabilities Act (ADA) of 1990, as amended, and SNAP program regulations.

DOJ published revised final regulations implementing Title II and Title III of the ADA on September 15, 2010. These regulations are codified at 28 CFR Part 35 "Nondiscrimination on the Basis of Disability in State and Local Government Services" and at 28 CFR Part 36 "Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities". In accordance with the implementing regulations, Contractors must provide auxiliary aids and services where necessary to ensure effective communication and equal opportunity access to program benefits for individuals with disabilities. The type of auxiliary aids and services required will vary, but a Contractor may not require an individual with a disability to bring another individual to interpret, and may rely on a person accompanying a disabled individual only in limited circumstances. When a Contractor communicates with applicants and beneficiaries by telephone, it must provide text telephone services (TTY) or have access to an equally effective electronic telecommunications system to communicate with individuals who are deaf, hard of hearing, or hearing impaired. Contractors must also ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. For more information, please visit the ADA website: <http://www.ada.gov>.

Uniform Guidance (“UG”) Required Contract Provisions

APPLICABILITY: UG is a set of uniform standards for award and expenditure of federal financial assistance, and applies to the purchase of apparatus, supplies, equipment, materials, services, construction and repair, and engineering/architectural services. See 2 CFR Part 200. Provided that these standards are applicable to you, by signing this signature page, you are certifying that your organization meets these requirements and that this certification, with the statutory references incorporated into each certification, on its face constitutes the “provision for compliance” for any paragraphs requiring such provision or other similar required statement, terms, or requirements. Gaston County is also required to be bound by such provisions. As the UG requires that any more stringent state law or local ordinance/policy supersedes these certifications, such state or local contractual references supersedes the requirements below, to the extent that the state or local provisions are more stringent than the federal requirements. If the service provided under the contract is not covered by the UG, signing the contract signature page will not bind the parties to these requirements, unless if specified in the contract. See generally https://www.ecfr.gov/cgi-bin/text-idx?SID=04e61f4e0a8317140a9ec150bb2ac195&mc=true&node=pt2.1.200&rgn=div5#ap2.1.200_1521.ii

(A) For contracts in excess of simplified acquisition threshold, currently set at \$250,000, unless otherwise expressly stated to the contrary in the contract, and subject to various applicable CFR and other regulations, such as 2 CFR Part 200, Gaston County will fully seek reimbursement from the contractor for noncompliance with the performance of this contract.

(B) For contracts in excess of \$10,000, unless otherwise expressly stated to the contrary in the contract, and subject to various applicable CFR and other regulations, such as 2 CFR Part 200, Gaston County has the authority to terminate this contract for cause or convenience, upon 30 days’ notice to the contractor. During this period, the contractor has the opportunity to cure defects cited by Gaston County. If Gaston County terminates for convenience, it will pay the contractor on a pro rata basis of the goods or services received.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Ex. Order 11375, “Amending Ex. Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR Part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Ex. Orders 12549 and 12689). A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Ex. Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Ex. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) Procurement of Recovered Materials (§200.323). A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an

affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
